

A How To Stay Engaged KIT With ORLC While At Home

1. Be In Prayer

In this kit you will find a devotional and prayer guide for you to use while you are at home. The first part has Scriptures that you can read each day. The second part has some short devotions taken from *Portals of Prayers*. The third part are prayers that you can use to guide your time with the Lord. This way we can stay connected and unified, joined though prayer.

2. Participate in Worship

Without a doubt it is going to be really hard not being able to come on Sunday Morning's and worship as a church family. We love being together so that we can sing, pray, laugh, and be fed by Jesus. We are doing our best to make this possible in a different way. Each Lenten Wednesday and on Sunday we will post a service with Pastor Chris on Youtube. In the care kit you have the order of service we will use until we reconvene. Each service can be watched at your normal worship time on our Youtube Channel.

If you have any technology issues. We are here to help. Please call the church office and let pastor know by calling his cell phone 931- 252-1536.

3. Take Communion

Since we will not be able to have Public Worship and the Celebration of Holy Communion, we will designate open times in which you can come to church and receive the Sacrament. Our communion service will be a short service of...

- Reading from Scripture
- Confession and Absolution
- Reciting the Creed and Lord's Prayer
- Receiving Communion
- Blessing

If you need us to bring you communion, please let pastor Chris know.

4. Communicate Your Needs

5. Give Your Offering

During this crisis time it's still important that you remember that your offerings matter more now than ever. We are in no way shutting down ministry here at the church just because we can't publicly gather. We are still working hard to serve our church and our community during this time of crisis and we along with everyone else still have bills. So it's extremely important you continue to GIVE GENEROUSLY to the work of the church. And here's how...

- In person, offering can be placed in mailbox or parsonage mail slot
- By mail
- Depended how long this lasts, I may look into setting up an online giving option.
